How To Get a
CIVIL SERVICE
Job in
NASSAU LIBRARIES

What is Civil Service?

Anyone who works for the federal, state or local government is considered a civil servant. Civil service jobs include both professional and non-professional positions.

Some words you might need to understand before you get started:

Eligible List: Applicants must take an exam to be added to an eligible list. The applicant is placed on a list according to the exam score and is canvassed for open positions in that order.

Open Competitive: Any job candidate that meets the necessary qualifications may apply.

Promotional: An applicant must currently serve in a particular position within an organization requesting the promotional list.

Continuous Recruitment: Some exams are offered on a continuous basis. Candidates who qualify will be added to the list and canvassed for positions as they become available. Candidates remain on the list for one year or until they are appointed, whichever comes first.
